DAYS 1 - 3
BELMOND EAGLE ISLAND LODGE, OKOVANGO DELTA

2 nights at Belmond Eagle Island Lodge in a tented room on a full board basis.

Belmond Eagle Island Lodge is the ultimate Okavango Delta water-experience-focused safari lodge, unveiling a sleek new look after an almost total rebuild.

Belmond Eagle Island Lodge is one of Botswana’s original safari lodges, perched on a private island encircled by some of the deepest stretches of the Okavango Delta, one of the world’s largest inland water systems and a UNESCO World Heritage Site.

The lodge is decorated to reflect an explorer’s base. Design highlights in the twelve spacious deluxe tented rooms include oversized beds with views of the delta, large outdoor decks with a vista, private plunge pools, luxurious bathrooms with large tubs, indoor & outdoor showers, a relaxation and reading nook, and walk-in wardrobes.

Fully rebuilt public areas include a stylish dining area with a pizza oven, a lounge area with an artisan-style bar, a library, a separate campfire area and the Fish Eagle Bar which is located directly on the water. Local artisans and materials were used throughout the renovations.

The lodge offers a variety of essentially water-focused safari activities including motorboat safaris, barge cruises, mokoro safaris (a local canoe), fishing, as well as walking safaris and the ultimate air safari experience by helicopter – a highlight of any guests’ stay!

There is an abundance of bird and aquatic wildlife around the lodge, complemented by larger mammals such as elephant, buffalo, hippo, crocodile, as well as the ever-elusive big cats that have made this island their home.

DAYS 3 - 5
DUBA PLAINS CAMP, THE OKAVANGO DELTA

2 nights at Duba Plains Camp in a luxury tent on a full board basis.

Duba Plains Camp is a wildlife connoisseur’s getaway to the Okavango Delta. Built on a wooded island, connected to the prolific wildlife area by an elaborate set of bridges, the camp is the base of many famous wildlife documentaries by National Geographic filmmakers Dereck and Beverly Joubert. The intimate camp consists of five traditional-style tents and the 2-bedroom Duba Plains Suite. All sit on raised decking, each with views of the surrounding floodplain and the steady stream of wildlife parading past. Each tent has a lounge area, a private veranda, beautifully appointed en-suite facilities consisting of flush loo, double basins and indoor and outdoor showers and luxurious baths.

Guests will be able to enjoy their own private plunge pool and outdoor under cover sala/day rest area. The main area consists of a large raised dining room, and a comfortable lounge with private dining areas, wine cellar, library, and chef’s kitchen with ample space for guests to either find a privacy or come together. The camp’s centre-point is the gathering place of all bush experiences, the fire place on an extended deck into the swamp. Duba Plain’s Toyota Land Cruisers are aptly named ‘Swamp Vehicles’ due to their extra-high suspension and absolutely huge tyres uniquely designed to traverse the floodplains. Duba Plains offers Botswana’s best land safari as well as an Okavango Delta experience, from wildlife viewing and birding or fishing from the boat, to walking and exciting drives with knowledgeable guides and friendly hosts.
DAYS 5 - 7
ZARAFE CAMP, SELINDA RESERVE

2 nights at Zarafa Camp in a luxury tent on a full board basis.

Zarafa Camp is an intimate, four room exquisite tented camp located on the 320,000 acre Selinda Reserve in northern Botswana, an area linking the Okavango Delta and the Chobe/Savute corridors. Its villa, the Dhow Suites, consists of two tents and private main area and operates entirely independently of main camp. Few camps rival the location of this little gem, Botswana’s first and only Relais & Chateaux property. Overlooking the crystal waters Zibadianja Lagoon, the source of the famous Savute Channel, every area of camp has a magnificent view. The lagoon is also the water source for a tremendous population of wildlife – dry season sightings boast buffalo and elephant by the hundreds.

Zarafa Camp and Dhow Suites are the brainchild of the founders of Great Plains Conservation, who pooled their collective experience on safari to create what they deemed to be the best and most environmentally innovative camp. As a consequence, Zarafa may in fact be the “greenest” luxury safari camp on the continent. Only recycled hardwoods and canvas were used in the construction and all the camp’s electricity comes from its solar farm while a ‘bio-gas’ system recycles vegetable waste into usable cooking gas.

The Zarafa Camp guest tents, 1000 sq. ft in size are under beige, flowing canvas, with canopy ceilings and completely open (yet netted) sides. Entering through the heavy wood Lamu door transports guests to a lavish space of deep reds, browns, brass and copper, evoking richness and beauty. Each tent has a full lounge and a gas fireplace. The large bedroom is connected to an open layout bathroom with impressive copper claw foot bath, indoor shower, separate loo and double basins.

Decking around the tent leads to the private plunge pool and outdoor shower, all with views of pristine Botswana wilderness. Under an impressive canopy of African ebony trees, the camp has a sizable main lounge, with adjacent library and dining area. Zarafa has succeeded in successfully in retaining a clearly African feel, while balancing that delicate relationship between personal and informal and romance and adventure. With a maximum of just eight guests, Zarafa Camp offers complete flexibility. While drives do focus on the most comfortable and productive times of day, early morning and late afternoon, full day drives, walks and boating (water level dependent) are great ways to fill the day at Zarafa.
