DAYS 1 - 4
SAPI EXPLORERS CAMP, PRIVATE SAPI RESERVE

3 nights at Sapi Explorers Camp in a tent on a full board basis.

The 118,000-hectare private Sapi Concession was awarded to Great Plains Conservation to manage and look after in 2016 and was immediately converted to operating as a private photographic reserve.

This amazing wildlife sanctuary, along with the neighbouring Mana Pools National Park, now comprise over 337,000 hectares of prime protected wilderness. Collectively they form part of a UNESCO World Heritage Site as well as the core of the Middle-Zambezi Biosphere Reserve.

Sapi Explorers Camp, perfectly located along the Zambezi River, offers a base to explore the Sapi Reserve, Mana Pools and the Zambezi River. With only 5 Explorers-style tents, each with en-suite bucket shower and flush toilet, Sapi Explorers Camp offers a safari experience reminiscent of the old African explorers, the perfect combination of romance, adventure and discovery.

The focus of your stay is exploring one of Africa’s remote wilderness areas on foot and on wildlife-viewing drives as well as canoeing and boating on the Zambezi River. Traverse Sapi’s diverse terrain by vehicle or on foot, discovering the legendary Mtawatawa Pan, and encountering some of Africa’s largest wildlife species. Guests have the opportunity to experience up-close encounters with elephant, lion, leopard, hyena, wild dog, buffalo, eland, zebra and other ungulate species. This is also prime bird watching country and opportunities abound for guests to spot resident and migrant species especially in the early morning and late afternoons. Explore the Zambezi River by canoe and boat, watch as wildlife congregates along the river to drink and marvel at the setting of the African sun.

DAYS 4 - 6
VICTORIA FALLS SAFARI CLUB, VICTORIA FALLS

2 nights at Victoria Falls Safari Club in a Club Room on a bed & breakfast basis.

Victoria Falls Safari Club is an exclusive 20-room boutique hotel overlooking the Zambezi National Park, with a central guest area featuring a modern fine dining restaurant, lounge, bar and viewing deck. Facilities include a two-tiered swimming pool, featuring a 15m lap pool, sundeck and gazebo and a fitness room.

Situated within the magnificent grounds of the Victoria Falls Safari Lodge resort, this luxury club is a place where African history and the enchanting power of nature blend with exotic modern comforts and brings an atmosphere of exclusive African distinctiveness.

The 16 Club rooms and 4 Club suites offer luxurious accommodation with uninterrupted views of unspoilt bushveld and spectacular African sunsets. Safari Club residents have access to all existing services and facilities on the Victoria Falls Safari Lodge resort, but no other resort residents have access to the Club wing, thus ensuring total exclusivity.

Words frequently fail to capture the grandeur of Victoria Falls, inspiring visitors as much today as it did David Livingstone in the 1860’s, who named the Falls after the reigning queen at the time.

Famous for being the largest sheet of falling water and referred to by the locals as ‘Mosi-oa-Tunya’ which can be translated as The Smoke That Thunders, referring to the beautiful white mist that is a result of the waterfall’s spray as well as the roaring sound the water makes as it thunders down. Travellers come from far and wide to tick this experience off their bucket list.
Spanning nearly two kilometres and dropping about 108 metres, this UNESCO Natural World Heritage Site is the largest waterfall in the world—thanks to the sheer volume of water cascading over its crags every minute.

Situated almost halfway along the Zambezi River Victoria Falls is the travel hub for Zimbabwe, Zambia and Botswana.

The small Victoria Falls town is home to fantastic hotels and lodges and provides many adventure activities to partake in as well as charming cafés, restaurants, and bars to mingle with locals and other travellers.
