2 nights at Mpala Jena Camp in a double luxury tent, with plunge pool, on a fully inclusive basis.

Mpala Jena camp is an exquisite and exclusive canvas tented camp, located on a private concession within the Zambezi National Park, just outside Victoria Falls.
The camp is named after the natural spring-line which runs through the centre of the concession, and also means ‘White Impala’, following regular sightings of a ‘ghost-like’ albino impala in the late 1970’s. Healthy and ever-increasing population of wildlife species abound, with higher concentrations of buffalo and elephant during the months June through to October. The area is good for bird watching throughout the year, with a higher diversity during the months November through to April. This is the most environmentally and innovative camp within Zimbabwe’s Zambezi National Park.

The property is conveniently located 16 kilometres inside the Zambezi National Park which makes for easy access to Victoria Falls town and the wide range of activities there, but far enough away for the hustle and bustle that guests can relax and enjoy the incredible setting and wild habitat of the Park.

**DAYS 6 - 7**

1 night at The Emakoko in a double suite on a full board basis.

The Emakoko is a small, all-suite lodge of 10 rooms on the edge of Nairobi National Park, perched alongside a verdant river valley. It is the perfect base to explore the Nairobi National Park, renowned for its healthy rhino population, as well as a very convenient, traffic-free (other than wildlife blocking the tracks) base for those transiting between JKIA and Wilson airports.

**DAYS 7 - 10**

**OL DONYO LODGE, CHYULU HILLS NATIONAL PARK**

Transfer from The Emakoko, to connect with a morning light aircraft flight from Nairobi Wilson to the Chyulu Hills (40-minute flight). 20-minute transfer from airstrip to lodge.

3 nights at ol Donyo Lodge in a pool suite on a fully inclusive basis with twice daily activities.

ol Donyo Lodge is a Relais & Châteaux and National Geographic Unique Lodges of the World member property with seven suites located on the slopes of the Chyulu Hills overlooking Mount Kilimanjaro. Choose between day and night game drives, walking, exploring lava tunnels, horse riding, mountain-biking, sleeping under the stars on your roof-top bed, watch the big tusker elephants drink from the waterholes below the lodge, or just relax in your pool suite.

Set on the Mbirikani Group Ranch – 275,000 acres of immaculate, private wild Africa bordering the foothills of the Chyulu Hills National Park – ol Donyo Lodge blends contemporary design with the rich culture and history of the people of this area, the indomitable Maasai. This is an area rich in wildlife, where some of Africa’s last giant elephant bulls roam freely, where the haunting calls of leopards interrupt the night and where lion are being pulled back from the brink of annihilation.
The lodge itself was rebuilt in 2008 and sits in thick woodland on a gently sloping hillside with views out over the plains to a distant Kilimanjaro. Designed to merge your outdoor and indoor living, a series of unique suites and villas (no two are the same) appears to emerge from the arid landscape on either side of a palatial lounge and dining area. Six pool suites plus 1 two-bedroom family unit offers a harmonious blend of contemporary and rustic accommodation, merging the landscape into each suite. All of the rooms have their own plunge pool and enjoy roof terraces where intimate “star beds” can be set up, allowing guests the thrill of sleeping in style under a canopy of endless stars while connecting with their sense of place and self.

DAYS 10 - 13
MARA PLAINS CAMP, OLARE MOTOROGI CONSERVANCY, MAASAI MARA

The Maasai Mara is one of Africa’s most famous wildlife parks. The image of acacia trees on endless wildlife filled grass plains epitomises Africa for many, add Maasai warriors and the conversation need go no further.

3 nights at Mara Plains Camp in a luxury tent on a fully inclusive basis with twice daily activities. The greater Maasai Mara Reserve offers unparalleled game viewing opportunities; large prides of lions, elephants and giraffes in grasslands; gazelles and eland to mention but a few. Aside from traditional open game drive vehicle safaris and hot-air ballooning over the Maasai Mara plains has become almost essential and you can even do a horseback safari.

Mara Plains Camp is a one-of-a-kind, seven tented camp located in the private 35,000-acre Olare Motorogi Conservancy, just on the northern boundary of the Maasai Mara National Reserve. This intimate camp blends the finest wildlife viewing with outstanding hospitality and guiding. No other camp offers the extensive traversing area of Mara Plains Camp, with access to a total of 100,000 acres of private conservancy land as well as the world-renowned Maasai Mara, home to the Great Migration. Each of the seven tents has deep canvas canopied ceilings, rough-hewn wood floors and accents of East Africa’s rich safari history. The well-appointed en-suite facilities (including a deep copper bath) plus the extensive private veranda complete what is genuinely a stunning concept. Each guest tent has a set of professional Canon camera and lenses available for guests to use on a complimentary basis. Add in a pair of Swarovski binoculars, and it is impossible not to see and capture the region’s incredible wildlife scenes.

The Olare Motorogi Conservancy is reputed to have the lowest vehicle density in the Maasai Mara region, while also having the highest concentration of big cats anywhere in Africa. There is only one guest bed per 350 acres, leaving the land unadulterated for the wildlife to roam and thrive, as nature intended.

By day and night, the camp is a sanctuary for resident animals, including many of the Maasai Mara’s 300 bird species. After dark, larger mammals frequent the camp and Maasai warriors escort guests to and from their rooms. Hippos snorting and leopards barking often provide the night’s chorus.

Mara Plains also offers walking safaris and day & night game drives. Hot air ballooning is available and should be booked in advance and is subject to availability and additional cost. Departures are very early in the morning to allow time to transfer to the nearest launching point. Night drives are particularly prolific in the Olare Motorogi Conservancy, and while they take patience, sightings commonly include lesser known nocturnal mammals and even lion and hyena hunts.
