www.beautifulnews.co.za/stories/ree-treweek

Ree Treweek (B 1978) is a world builder – a sculptor, painter, illustrator, animator and director. She has been seeking out spaces that find their resonance somewhere in between what is considered the Primary, and perhaps what may be, a Secondary world.

It’s from these worlds, and the space where the two intersect, that Treweek mines visual cues, stories and aesthetics to create her distinctive visual language.
